---

To respond to the most common questions parents and guardians are asking about elementary-level EQAO assessments, EQAO has designed a pamphlet entitled “A Parent’s Guide to EQAO Tests.”

Elementary schools across the province have already received multiple copies of this pamphlet for distribution to the parents of 2009–2010 Grades 3 and 6 students.

You may wish to offer this resource to your community by posting the following link on your Web site: [http://www.eqao.com/pdf\\_e/09/Cpbweb\\_36e\\_0909.pdf](http://www.eqao.com/pdf_e/09/Cpbweb_36e_0909.pdf).

If you choose to post the link, simply advise us by e-mail at [e-mail@eqao.com](mailto:e-mail@eqao.com).

This pamphlet and other useful materials are now available in the “Parent Resources” section of EQAO’s Web site, [www.eqao.com](http://www.eqao.com).

We thank you for your co-operation.
